- Work problems, employment, workaholism/overworking, can't keep a job

Because some health problems or drug treatments can cause mood interferences, we must ask you to list any medical concerns you are being treated for at this time. This includes allergies. What, if any, drugs are you taking and who is your provider?

Any other concerns or issues:

Please look back over the concerns you have checked off, choose the one that you most want help with and list it here: _____

This is a strictly confidential patient medical record. Rediscovery or transfer is expressly prohibited by law.
